

FUTURE STEPS:

1. Position paper on modelling activities

1. Vulnerability Assessment

2. Position paper on adaptation needs

Send this paper to Imre, Robert, Markus and Sergio

Position paper on modelling activities

- Content: description of the modelling activities (climate models, impact models) performed in your country
- Deadline: **February 1st, 2015**
- Send this paper to Imre, Robert, Markus and Sergio

Vulnerability assessment

- Content: make a qualitative vulnerability assessment of 2 sectors in your country. One sector is WATER RESOURCES (and include the links to DRM and crossborders aspects) and the second one can be anyone of your choice.
- Method: use the Adaptation Support Tool
- Deadline: **April 2nd , 2015**

Position paper on adaptation needs

- Content: define the adaptation needs of the two sectors of your Vulnerability Assessment.
- Method: use the Adaptation Support Tool
- Deadline: **May 1st, 2015**
