

# ECRAN Climate Third Annual meeting

Istanbul, 21 January 2016

Imre Csikós

Proposed activities in the next cycle

This Project is funded by the European Union

Project implemented by Human Dynamics  
Consortium

## DIRECTIONS

- Moving from informing the countries on the climate acquis (RENA)
- Towards practical work and training (ECRAN)
- To assist in setting up implementation structures and appropriate legislation

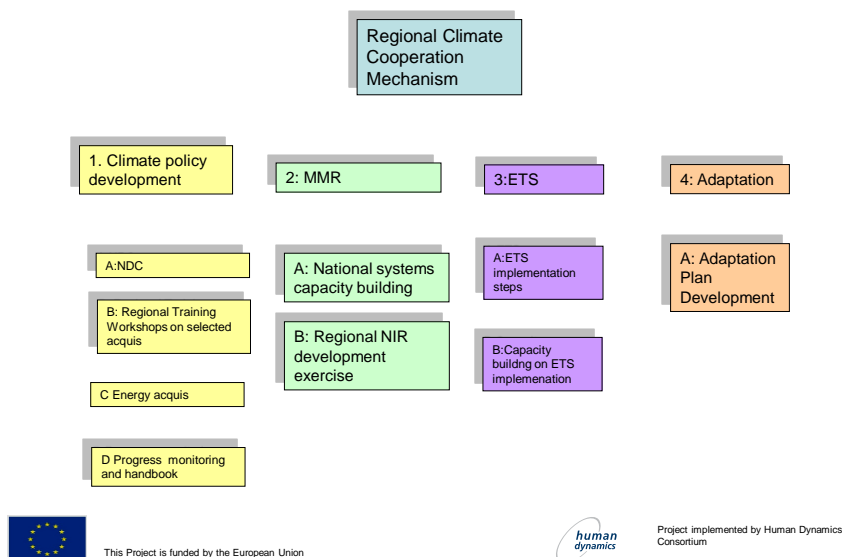

This Project is funded by the European Union

Project implemented by Human Dynamics  
Consortium

## NEW PROPOSED STRUCTURE

## WORKING GROUP 1: POLICY DEVELOPMENT AND AWARENESS

### Implementing policies and strategies in line with Paris

- Further training on analytical tools
- Modelling studies of carbon neutrality pathways
- Regional and national high level dialogues
- Hands on support on policy development and legislation / demand driven

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

## **WORKING GROUP 1: POLICY DEVELOPMENT AND AWARENESS**

### **Capacity building on selected climate acquis**

- **Legal and institutional analysis, regulatory requirements**
- **Specific training (on implementation of acquis)**
- **Work planning for acquis implementation**

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

## **WORKING GROUP 1: POLICY DEVELOPMENT AND AWARENESS**

### **Capacity building on selected energy acquis**

- **Focus on energy Efficiency and RES Directives**
- **Legal and institutional analysis, regulatory requirements**
- **Specific training (on implementation of EE and RES directives)**
- **Work planning for acquis implementation**

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

## WORKING GROUP 1: POLICY DEVELOPMENT AND AWARENESS

### PM Subworking Group

- Progress monitoring
- Legislative compliance checks
- Update of handbook

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

## WORKING GROUP 2: MMR

### Capacity building on national GHG inventory reporting

- Legal and institutional gaps analysis for national systems capable of implementing MMR requirements: This includes development of simple and extendible GHG inventory database systems and template documents for countries.
- Developing implementation plans for national systems implementation, including tasks for Single National Entities; Sectoral GHG inventory work using CRF software tools; QA/QCs plans
- Sector training on CRF filling for the energy sector; Industry; AFOLU and Waste.
- Targeted assistance to ECRAN beneficiaries on selected priority themes for national systems

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

## WORKING GROUP 2: MMR

### Regional National Inventory Report Development Exercise

- Shadow National Inventory Report (NIR) exercise on voluntary basis
- The purpose is to gradually improve staff skills, administrative structures as well as data quality to allow continuous GHG inventory reporting.
- Peer review
- National systems development and procedures

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

## WORKING GROUP 3: ETS

### ETS implementation steps/roadmap development

- Legal and organizational framework support
- Support to operators for those countries nearing ETS implementation
- National registry development for interim solutions
- Benchmarking and allowances allocation
- Regional ETS or national ETS options
- Participating in the EU compliance forum

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

## WORKING GROUP 3: ETS

### Capacity building on ETS implementation

- Continued regional training on MRV targeted at operators, authorities and verifiers and NGOs
- TNA for special topics training
- Peer to peer training missions from EU MS experts to those countries close to implementing ETS

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

## WORKING GROUP 4: ADAPTATION

### Regional Adaptation Plan Development

- Regional adaptation strategy
- Tools for regional adaptation options (technical and institutional training)
- Urban Adaptation (Mayors Adapt)
- Regional Cooperation on Disaster Risk Management

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

**Thank you for your attention and  
patience!**
