## SUGGESTED TEMPLATE FOR ECF CSOs OPINION TO ACHIEVEMENTS IN ACCESSION IN 2015, CHAPTER 27 ISSUES

It is expected that ECF CSOs coordinate one document (bellow, as presented in Background document) per country, based on the discussion at PMs and further communication between CSOs.

ECF CSOs could collect cases/examples for one, two, selected or all nine questions; for each question chosen to be subject of answers it is mandatory to fill all columns.

CSOs could choose to focus on public participation addressed in almost all questions/related EC directives.

Question		To be filled by ECF CSOs			
1	Horizontal issues (public participation, access to justice, INSPIRE Directive issues, control and surveillance, international and regional cooperation, environmental monitoring and reporting, environmental liability, etc.)	Case/example for positive or negative achievement, documented	Category of case/example:		Case/example is related to obligation to EC Directive:  (write the name of directive and related obligation)
			Transposition	Implementation/ Enforcement	
2	Air quality	Case/example for positive or negative achievement, documented	Category of case/example:		Case/example is related to obligation to EC Directive:  (write the name of directive and related obligation)
