

## **ECRAN Regional training on the role of planning documents in approximation and management of the negotiation process for Chapter 27**

Arunas Kundrotas, Strategic Planning  
and Investments Expert

Podgorica, March 18 - 19, 2014

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

## **FIRST DAY CONCLUSIONS**

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

- Strategic planning: setting background - **Mr. John Glazebrook**
- Strategic planning as process
- It is essential:
  - Clear formulation of goals
  - Good quality of information
  - Full participation
  - Priorities
  - Action and monitoring

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

- Strategic Planning after screening: defining new needs - **Ms. Ivana Vojinovic**
- Screening process is very demanding
- Number of additional needs identified
- Targeted preparation shall start early
- Attention shall be paid to planning documents in order to have answers on **how** and **when** requirements will be transposed and implemented
- Just title of the planning document is not sufficient. Substance matters

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

- Defining and defending Negotiation Position: contribution of planning documents - **Mr. Fedor Cerne**
- NPAA is the key planning document
- Sectoral/ sub-sectoral documents are important to ensure leading role of NPAA
- Do not lose national perspective and meaning of the accession process

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

- Traditional benchmark: Institutional Development Plan - **Mrs. Mira Medić**
- Institutional aspects are very important for screening and negotiations
- Important to identify needs/ expectations on what shall be provided
- Coordination and guidance is essential
- Document shall be approved by the Government

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

- EU environmental policy planning documents and impacts on national planning - **Mrs. Bertília Valadas**
- EU planning documents are influencing development of the acquis
- Some aspects are more important in particular periods and important to know where EU is focusing
- SEA as tool for assessment of plans/ programmes

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

- Planning documents as part of EU requirements - **Ms. Monica Bergsten**
- Requirements for planning coming from the acquis shall be carefully analysed
- “May” and “shall” requirements
- Selection of implementation strategies may be related with need to develop additional documents
- List of planning documents according to directives is presented

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

- Strategic planning and priority setting - **Mr. Jian Xie**
- Tool for situation analysis and priority setting are available
- Do not lose priorities in overall EU accession planning

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

- From general to specific: DSIPs and transitional periods. Public sector directive - **Mr. Gheorghe Constantin**, Head of Water Department, Ministry of Environment, Romania
- DSIP. Private sector directive. IPPC - **Mrs. Iuliana Chidu**, Councillor for EU Affair, Ministry of Environment, Romania

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

## Agenda (4)

- Investment and financing planning - **Mr. Arunas Kundrotas**
- Questions
- Discussions
- Work in groups

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

**THANK YOU FOR YOUR ATTENTION!**
