

National ECRAN Adaptation Teams – STEP C Introduction

Rob Bakx, ECRAN

18 – 19 February, 2016
Ankara

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

Workshop objectives

Wider Objective

To keep the steady progress that already started on climate adaptation action in the Western Balkan countries and Turkey

Specific Objectives

To enhance the understanding about climate adaptation action among a core of Beneficiary Countries' representatives, creating climate adaptation policies and planning as a basis for action

This Project is funded by the European Union

Project implemented by Human Dynamics Consortium

Expected Results

1. Strengthened knowledge of workshop participants regarding best practices in assessing climate change adaptation options
2. Enhanced understanding of workshop participants about their own country's climate change adaptation priorities towards developing a national climate adaptation strategy and action planning
3. A country-by-country first vision on the implementation of prioritised climate change adaptation options

Some practical issues

- 4 intensive Work Sessions:
 - Adaptation options ‘identified’
 - Country self-assessment - continued
 - Action plan for prioritising adaptation options
 - Implementation Action Plan
- Please, use the templates!
- When taking the floor: please mention your name and country
- Results on project website
