- ❖ Participation at EEA/EIONET activities for GHG emissions (KEPA is NFP and NRC).

Model of vertical communication for climate change issues in department and agencies level

Based on Document for Indicators for monitoring the integration of risks and opportunities from climate change in development policies, strategies and intersectorial plans

Key questions?

- ❖ **Base year determination?** (*Methodologies, historical data, policy process, political status*)
- ❖ **Motivation, status of the team!**
- ❖ **How to retention (save) the actual inventory team?**
- ❖ **How to connect NIS with other EIS?** (*CLRTAP, PRTR, ect.*)
- ❖ **QA/QC procedures!**

Thank you!!!

Kosovo Inventory team
