

ORIGAMI FORTUNE COOKIE EVALUATION FOR DAY 3

Write your evaluation slip.

Reminder of exercises done during entire project:

- Poster exercise: Lessons learned from the national training
- Enhancing training skills – part I. Power Flower
- Enhancing training skills – part II. My Worst Nightmare
- Concluding session – Way forward

Make a valley-fold over these 2 lines.
Unfold each fold after you've made one.

Make a valley-fold over these 4 lines.

Make a valley-fold over these lines, so the model gets more rounded.

Fold the model in half over this line.

Make an inside reverse fold over these 3 lines. Do this by making a valley-fold over the line in the middle and a mountain-fold over the other 2 lines.

Turn the model.

Make a mountain-fold on the ends indicated by the 2 arrows, to make them less edgy.

Turn the model.

Make a mountain-fold on the ends indicated by the 2 arrows, to make them less edgy. Tape together.
