

ECRAN Regional Workshop, WFD 2000/60/EC Environmental Cost Case Study Albania

June 2016

*Technical Secretariat of National Water Council
Ministry of Agriculture, Rural Development and Water
Administration*

www.fppt.info

Legal Framework

- Law 111/2012 on “Integrated Water Resources Management”
- Law 10 431 on “Environmental Protection”
- Law 10 463 on “Integrated Waste Management”
- Respective bylaws

www.fppt.info

Law 111/2012 on “Integrated Water Resources Management”

- All the resource use tariffs are collected to the State Budget!
- All the fines / penalties are collected to the State Budget. (Ministry of Agriculture, Rural Development and Water Administration)

Activity	Penalty/Fine
Discharge of industrial wastewater	7000 - 35000 Eur
Construction without permit, harbor, port, etc.	7000 - 14000 Eur
River gravel extraction without permit	7000 - 14000 Eur
Use of thermal water without permit	3500 - 14000 Eur
Discharge of any pollutant, without permit	3500 - 14000 Eur

www.fppt.info

Law 10 431 on “Environmental Protection”

- All the fines / penalties are collected to the State Budget. (Ministry of Environment)

Activity	Penalty / Fine
Refuse to provide information on pollution discharge	2000 - 3500 Eur
Not respecting the environmental criteria for production/transport/marketing, etc.	3500 - 8000 Eur
Not reporting to the NEA	8000 - 14 000 Eur
Refusing to implement the rehabilitation actions	8000 - 14 000 Eur

www.fppt.info

Environmental Permits

All the tariffs for application for an environmental permit are collected to the State Budget. (Ministry of Environment)

Activity	Tariff
Environmental Permit Type A	350 Eur
Environmental Permit Type B	200 Eur
Environmental Permit Type C	70 Eur
Change in the criteria of Permit	70 - 200 Eur
Installations (annual)	15 - 35 Eur

www.fppt.info

Law 10 463 on “Integrated Waste Management”

All the fines / penalties are collected to the State Budget. (Ministry of Environment)

Activity	Fine/ Penalty
Refusing to send the waste at the identified disposal	8000 - 9000 Eur
Waste collection / transport without permit	8000 - 9000 Eur
Refusing to report to the NEA	2000 - 3500 Eur
Waste collection / transport without label	8000 - 10 000 Eur
Organic waste (manure) without permit	3500 - 8000 Eur
Sludge use without permit	8000 - 10 000 Eur
Waste export without permit	8000 - 10 000 Eur
Waste dumping without permit	8000 - 10 000 Eur
Waste burning	3500 - 8000 Eur

www.fppt.info

Main Issues

- Environmental Fund not yet established
- Fines/ Penalties from water miss use never applied and collected
- The river basin agencies never receive revenues from water resources use
- Weak coordination among institutions
- ***Environmental cost not clearly identified!!***
