SETUP IN RMACEDONIA
2. THE STATUS OF THE  
COUNTRY IN EU
3. VERIFICATION  
OF THE FIRST ANNUAL  
GHG REPORTS

# R050V0

1. What conditions are to be fulfilled by Accreditation body to be able to issue accreditation certificates?
2. Who verifies and approves the monitoring plans of operators?
3. What parameters are used in calculating Allowances for operators?
4. Is accreditation obligatory?

① How much money needed  
for establishing a  
ETS Market?  $\text{€} / \text{units.}$   
Per t CO<sub>2</sub>  
Gov. level

② Emissions transfer through  
countries. How we have to  
account? with ETS exchange?

③ How is <sup>ETS</sup> implied with the  
EE + RES targets ~~the ETS~~?

# - EE Fund } What is  
- RES Fund } difference?  
- CCH Fund }

## TURKEY

1. How to ensure institutional cooperation?

2. Structure of training center?

3. How we should adopt a framework legislation. How much should be given in local circumstances.

1. FROM YOUR EXPERIENCES, WHAT IS THE BEST WAY TO START WITH IMPLEMENTATION, TRAINING OR LEGISLATION?
2. WHO AND ON WHAT BASIS IS DONE APPROVING OF THE MONITORING PLAN?
3. DOES YOUR LEGISLATION PREDICT PENALTIES FOR OPERATORS WHO DON'T COMPLY WITH REGULATIONS?

MONTENEGRO

# BIH

1. CAP - year of base line?
  - Thermal power plant
  - CO<sub>2</sub> emissions
  - included in CAP?
2. - National Allocation Plan / criteria for operators
3. Training of for Riff / TA
  - operators
  - competent authorities
4. Verificators / Accreditation Body Training
4. DSIP / Riff
- APIP / entities and BDO of Riff

# BiH ROADMAP FOR ETS IMPLEMENTATION

(in procedure)

1 year { - GHG Inventory, period 2001-2013 ✓

FBUR prepared 2010/2011

Note: Done

1 year { Identify CA for ETS implementation  
Institutional framework

Note: Has to be done.

1 year { - Identify operators (Registry of polluters  
TAIEX support

Note: Has to be done)

1 year { Identify Accreditation Body (AB)

Note: Done

1 year { Training of operators, CA, AB, <sup>inspection</sup> etc.

Note: TAIEX support

2 years { Prepare and adopt legislation

Note: TAIEX support

Σ 3 years
